

Minutes of Meeting(MoM) Pre-bid Conference

The pre bid meeting for phase I of small hydel projects of Jharkhand Renewable Energy Development Agency) (JREDA) was held on 5th June 2013. The meeting was held at Jharkhand State Electricity Board (JSEB) conference hall and was attended by Chairman JSEB Shri S N Verma, Director JREDA Shri Vikaram Singh Gaur – and other officials of JREDA. The copy of attendance is attached.

Amongst bidder attending the conference were

1. Mr. Sanjay Singh, Assistant General Manager – M/s Inland Power, RNC
2. Mr. Bharat Kumar, Assistant General Manager – M/s Orissa Power Consortium Limited.
3. Mr. R P Shahi, Chairman – JSIA-RIDP

There were few questions raised by the bidders. Key queries were

1. Proposed Free Power of 12% and additional 2% LADF seems to be high and would reduce interest of bidders.

JREDA confirmed that it is as per policy decision.

2. Availability of the water for the proposed hydel projects under the subject in case any other project comes in upstream source in future.

JREDA officials confirmed that the requisite permissions and no objection certificate (NOC) would be taken from the relevant irrigation department before the completion of bidding process.

The bidders present in the meeting were subsequently asked to submit their queries via e-mail / print copy to JREDA.

Also it was decided to convey all other prospective bidders for submission of any other queries through e-mail/ telephone to JREDA.

The Chairman JSEB & Director JREDA interacted with the prospective bidders and understood the prevalent practices in other States. The meeting ended with the vote of thanks from the Director JREDA

Director,
JREDA, Ranchi
