3. Shri S. Pandey, Project Director, JREDA.
4. Shri Rajendra Prasad, Project Manager, Directorate of Industry.
5. Shri Ramesh Prasad, Under Secretary.
6. Shri A. K. B. Prasad, EEE, Energy Department.

Purchase Committee meeting of JREDA held on 02.09.2013 at JREDA Office for evaluation of Technical Bid against NIB NO: 10/JREDA/SPV/SPP/IREP/2013-14. Comparative Statement prepared by Tender Committee of JREDA and its recommendations were perused by Committee members.

On the basis of documents submitted by bidders and Comparative Statement of Technical Bid Part-I prepared by Tender Committee of JREDA views of Purchase Committee of JREDA on their Technical Bid are as follows:

1. **M/s Millennium Synergy Pvt. Ltd.:** The bidder is a manufacturer of Electronics and MSME of Jharkhand. The bidder has submitted average annual turnover of last three years ending 31.03.2013 of Rs. 2.98 Crore, Net worth as on 31.03. 2013 of Rs. 1.44 Crore and cumulative experience along with successful completion certificates for more than 102.50 kWp of SPV Systems. The bidder in its certificate for annual turnover has submitted annual turnover of Rs. 2.98 Crore of M/s Millennium Synergy Pvt. Ltd, Ashok Nagar Ranchi. Further, on perusal of the balance sheets which are attached with this turnover certificate, it is observed that all the turnover figures are of M/s Millennium Synergy Pvt. Ltd., Bangalore. This indicates that the bidder has not submitted the copies of the balance sheets / documents of the applicant/ bidder firm i.e. M/s Millennium Synergy Pvt. Ltd., Ashok Nagar, Ranchi, which is an MSME unit of Jharkhand. Further, it has been observed that this bidder has not submitted the bid fee and earnest money on the pretext of being a MSME unit of Jharkhand on one hand and on the other hand it has submitted the balance sheet in support of the criteria of turnover and net worth as that of M/s Millennium Synergy Pvt. Ltd., Bangalore, which is not the bidder firm. Therefore, based on the documents submitted by the bidder it is recommended that the **bidder is not qualified for opening of Price Bid.**
2. **M/s Statcon Power Controls Ltd.:** The bidder is a manufacturer of Electronics and MNRE Channel Partner. The bidder has submitted average annual turnover of last three years ending 31.03.2012 of Rs.72.59 Crore, Net worth as on 31.03.2012 of Rs. 20.60 Crore and cumulative experience along with successful completion certificates for more than 10 kWp of SPV Systems. Therefore, based on the documents submitted by the bidder it is recommended that the bidder is technically qualified for opening of Price Bid (21 kWp).
3. **M/s Kamla Instruments:** The bidder is a System Integrator and MSME of Jharkhand. The bidder has submitted average annual turnover of last three years ending 31.03.2012 of Rs.1.05 Crore, Net worth as on 31.03.2012 of Rs. 21.11 Lakh and cumulative experience along with successful completion certificates for more than 23 kWp of SPV Systems. Therefore, based on the documents submitted by the bidder it is recommended that the bidder is technically qualified for opening of Price Bid (82.25 kWp).
