NIB No. 22/JREDA/BEE/2013-14

(Sub :- Engagement of Consultant to provide consultancy for energy efficiency & conservation related activities).

Sr. No.	Queries Queries	JREDA Reply
1	M/s a'xykno, Maharashtra :- Whether consortium are allowed or not ?	Consortium is not allowed.
2	Reena Sharma, Project Manager :- Whether consortium are allowed or not ?	Consortium/ joint venture is not allowed.
3.	 M/s. Feedback Infra:- Query No. 1 a. Reference: Page 2, Point 3 'Experience Requirement', Sl. No. (iii) 'The bidder should have experience of working with or evaluating the work of minimum 3 SDAs' b. Query/Suggestion: In our opinion the work done by both SDAs / utilities / ULBs at the state level and BEE / EESL / Regulatory Commissions / MoP at the centre level is equally crucial. Both centre and state agencies have been pushing the market through policy drivers and pilot schemes to promote energy efficiency in India. We recommend changing this to 'The bidder should have experience of working with or evaluating the work of minimum 3 government agencies in the field of energy conservation'. This will enable the bid to become more competitive and include energy efficiency experience of interested bidders at both the state and centre level. Moreover, as part of the scope of work JREDA requires the consultant to also interact with BEE on behalf of JREDA, this makes it all the more important for bidders to have the experience of working with government bodies at the centre Query No. 2 	Suggestion is not acceptable. Hence No change is required.
	 a. Reference: Page 2, Point 3 'Experience Requirement', Documents to submit 'Details of the projects developed / reviewed should be submitted along with the Copies of Work order and the completion certificates. In the absence of W.O. & its completion certificate the bid shall get rejected. b. Query/Suggestion: We have the relevant experience but in most cases we have the work orders but not completion certificates. We can provide signed copies of work orders along with a declaration stating that the experience showcased by our firm consists of only those projects which we have successfully completed or are under execution. In addition, we can provide contact details of Client name, name of project manager on behalf of the client, designation, phone, email and contact address for verification purposes. Kindly confirm if this is acceptable. 	Suggestion is not acceptable. Hence No change is required.
	Query No. 3 a. Query: Kindly confirm if the cost for organizing workshops, training sessions, conferences, printing of promotional material, etc will be borne by JREDA or the consultant? Ouery No. 4	Consultant has to quote their rate including expenditure for travel, boarding, lodging, visit to site etc. of the personnel's deployed by the consultant for providing the consultancy services for all the activities as listed in the scope of work. Other cost for organizing workshops, training session's conferences, printing of promotional materials etc. will be borne by JREDA.
	a. Query: Kindly confirm if bidders can submit E.M.D. in the form of a Demand Draft or is it only acceptable as a Bank Guarantee in the format provided by JREDA?	EMD in the form of DD / BG both are acceptable.
