Purchase committee meeting of JREDA held on 18.06.2013 at JREDA office for evaluation of Technical bid against NIT No. 03/JREDA/SPV/SL(LED)/ 2013-14. Comparative Statement prepared by Tender Committee of JREDA and its recommendations were perused by the purchase committee members.

On the basis of documents submitted by bidders and the Comparative Statement of Technical bid Part-I prepared by Tender Committee of JREDA, the purchase committee has examined the document submitted by all the bidders and a statement has been prepared for all the bids and is enclosed. On the basis of it, the views of Purchase Committee of JREDA on their Technical evaluation are as follows:-

1. **M/s M.G. Solar Powertronics, Mumbai** :- The bidder quote for supply of 5000 Nos. Solar Lantern & submitted the equivalent amount of Bank guarantee for quoted quantity. The Purchase committee observed that the bidder has submitted experience for supply of PCUs & invertors only instead of complete SPV System (SL/ SHLS/ SSLs/ Power Plant) Page no.12-23. Therefore it is concluded the bidder does not have the required satisfactory work experience for SPV systems. Hence it is recommended that the bidder is **not qualified** for the opening of Price Bid (Part-II).
2. **M/s Multi Services Inc, Jamshedpur**:- M/s Multi Services Inc. is a Jharkhand's registered MSME bidder & Manufacturer of Electronics item. The bidder has quoted for supply of 2000 Nos. Solar Lantern. The Purchase committee observed that the bidder has submitted the work orders which have been issued by the Private firms (Page no.76-81). None of the experience certificate is from any SNA or Govt. body or PSU. Therefore it is concluded the bidder does not have the required satisfactory work experience from Govt. Department /PCU's for SPV systems. Hence it is recommended that the bidder is **not qualified** for the opening of Price Bid (Part-II).
