Letter of Invitation

1.1 About the RfP

This Request for Proposal (RfP) document is to hire agency provide manpower support to state designated agency JREDA, Jharkhand during the xii five year plan. The Government of India set up Bureau of Energy Efficiency (BEE) on 1st March, 2002 under the provisions of the Energy Conservation Act, 2001. The State Government have designated state Designated Agencies (SDA) in consultation with the Bureau of Energy Efficiency to coordinate, regulate and enforce the Provisions of the Act in States. Thus the State Designated Agencies are the Strategic partners for promotion of energy efficiency and its conservation in the country.

Interested agencies/firms may download the RfP document from the website. In case the RfP is downloaded, intimation may be sent at the email ID mentioned below. The submission of the RfP document must be accompanied with the payment of the bid processing fees of Rs. Five Thousand only. (Non refundable) The Payment will be accepted in the form of crossed demand draft on any scheduled bank, payable in Ranchi in Favour of Director, JREDA.

Last Date for submission of RfP : 3.00 PM on 20 June 2014.

Interested agencies/firms may contact (Tel: 0651-2491161 Fax: 0651-2491165)

Email: info@jreda.com for any clarification.

SDA, JREDA, Jharkhand

1.2 Critical Information

Availability of Invitation for RfP	From 29.05.14
Last date for acceptance of queries	Till 16.06.14
Date for pre-bid meeting	At 03.00 PM on 16.06.14
Last date for receipt of RfP	Till 3.00 PM on 20.06.2014
Cost of Rfp Document Fee	5000/- (Five Thousand only)Non Refundable
Place, time and date of opening of Technicial proposals	SLDC Building 3 rd floor, Kusai Colony, Ranchi, 3.30 PM on 20.06.2014
Place, time and date of opening of Technical proposals	To be informed later (only to technically qualified bidders)
Contact Person for submission of RfP	Surendra Prasad Electrical Executive Engineer, 0651-2491167/ 9308023380

Note:- SDA, JREDA, Jharkhand will use email as a primary mode of communication and will upload all relevant information on its website www.jreda.com

2.0 Background Information

A drive to reduce energy intensity of the economy initiated by Govt. of India and the Integrated Energy Policy announced estimates a possible reduction of 25% by energy efficiency/conservation measures. The goal of Bureau of Energy Efficiency (BEE) is to develop policy and strategies with a thrust on self-regulation and market principles, within the overall framework of the EC Act 2001, with the Primary objective of reducing energy intensity of the Indian economy. In this regard, BEE has undertaken several initiatives to promote energy efficiency in the areas of industries, buildings, appliances and demand side management in municipalities and agriculture sector. Energy being a concurrent subject, it becomes imperative that the states actively participate in the schemes to facilitate in achievement of the overall goal of reducing energy intensity of the country. Section 15 (d) of the energy Conservation Act 2001 states. “ *The State Government may, by notification, designate any agency to coordinate, regulate and enforce provisions of this Act within the State*”. Thus, the EC Act 2001 mandates the notification of State Designated in the states. The SDAs have been set up in 33 states by designating one of the existing organizations as required under section 15 (d) of the Energy Conservation Act 2001. In Jharkhand JREDA is the state Designated Agency (SDA). The SDA lacks physical and fiscal resources, share key facilities/staff/budget with the parent department. This dampens the pace and direction of the energy conservation program, limiting novelty of approach in expanding outreach of activities. To develop Zeal towards successful implementation of the EC Act, there is a need to change in the management style. However, the expectations from SDA, JREDA, Jharkhand have increased manifold during the XII plan and are expected to play an important role to ensure compliance of DCs as mandated by EC Act 2001, establish enforcement mechanism to facilitated in successful implementation of standards & Labeling and perform. Achieve & Trade Schemes. Also, SDA, JREDA, Jharkhand is required to play an important role in implementation of various other schemes of BEE during the XII plan along with contributing to verifiable energy savings. Thus, it is pertinent to have additional manpower support to facilitate the SDA, JREDA, Jharkhand in fulfilling the various duties.

2.1 About SDA, JREDA, Jharkhand

Jharkhand Renewable Energy Development Agency has been Nominated as State Designated Agency (SDA) by Energy Department, Government of Jharkhand. SDA has successfully completed Revamping of Drinking water system under Ranchi Municipal Corporation through Drinking Water and Sanitation Department, Govt. of Jharkhand. SDA has done LED Village campaign in one Village of Ranchi district, Energy Audit etc.

3.0 OBJECTIVE :

The objective is to have necessary manpower support to enable the SDA, JREDA, Jharkhand to coordinate, regulate and enforce various provisions of the EC Act 2001 who are experienced in the field of energy efficiency. Manpower for supporting various of SDAs, managing State Energy conservation Found (SECF), implementing perform, Achieve and Trade (PAT) and other BEE scheme will be required. As per EC Act. 2001, the SDAs are supposed to perform the role of a coordinating agency, regulator and enforcement agency in the state to promote the efficient use of energy and its conservation. During the XI Plan, the SDA, JREDA, Jharkhand has performed the role of a coordinating agency and that of a regulator to certain extent. The major focus during the XII plan will be on establishment agency and that of a regulator. This shift in focus is necessitated due to the fact that energy efficiency implementation in industries (PAT) and four major categories of appliances under S&L scheme is in mandatory phase. Vision document of the 12th five year plan envisages 75% new construction of all commercial buildings in

the 12th plan period to be ECBC compliant. An effective enforcement mechanism at the State level is imperative for implementation of all mandatory schemes.

As on date, BEE has successfully registered 14 products under the S&L scheme out of which 4 products are under the mandatory labeling regime. These are frost free refrigerator, room air conditioner, TFL and distribution transformer. For the mandatory products, no unlabelled product must be available in the market with effect from the date of various notifications. Similarly, mandatory energy saving targets has been given to 478 industrial units, who fall under the category of designated consumers.

The manpower engaged are expected to work in tandem with other SDA officials and facilitate SDA, JREDA, Jharkhand in achieving the target energy saving along with smooth and timely completion of other SDA activities pertaining to promotion of efficient use of energy and its conservation.

4.1 Scope of Work

The agency shortlisted for providing manpower support would be responsible to fulfill the following roles by deputing at least 2 to 3 number of manpower's at the headquarter of the SDA :

i. Support various activities under the Strengthening of State Designated Agencies scheme of BEE

In order to kick start the energy conservation activities at the state level with an emphasis on the building institutional capacities of the SDAs, Government of India had approved the scheme of providing Financial Assistance to the state Designated Agencies for strengthening their institutional capacities and capabilities. During the XI plan, the SDA, JREDA, Jharkhand has carried out capacity building activities like workshops/training programmes involving the Energy managers/Energy Auditors and Designated Consumers appraising about their roles as per the mandate of the EC Act 2001. Media/awareness campaign in JREDA, Jharkhand has been undertaken by JREDA. The major focus area were promotion through electronic and print media, translation of BEE materials to local language, awareness campaign in school/colleges, and through brochures, banners, etc. Apart from the above, SDA, JREDA, Jharkhand has undertaken demonstration projects in the area of drinking water by revamping of water filtration plant by replacing old water pumps and motors with energy efficient pumps , drivers and power factor improvement panel in Ranchi and work for municipal lighting and LED Village and IGEA of the Govt. Buildings has been taken up. The roles expected from the manpower provided by the agency are:

- Preparation of annual action plans including budget estimation.
- Preparation of annual reports.
- Interaction with other Govt. Dept./Organizations and Industries
- Conduct state level awards.
- Identification of demonstration project
- Preparation o schemes for promoting energy conservation
- Implementation and monitoring support for different energy efficiency projects
- Verification and documenting capacity avoiding and energy saving realized
- Exploring new areas for implementation of energy conservation measures in the state of Jharkhand
- Finalization and vetting of Details project Reports (DPRs) for energy efficiency projects
- Conduct field visits for implementation and monitoring of different energy conservation activities
- Organization awareness campaign, workshops, seminars for different sectors and general public
- Facilitating energy audit and investment Grade Energy Audit of industries and industry clusters, Urban and local bodies, irrigation and water pumping systems, sewage systems, street lighting systems, buildings etc.

- Undertake activities as per the requirement of BEE as prescribed from time to time and extend necessary support for achievement of projected capacity avoidance as prescribed by SDA and any other activities which id felt necessary for fulfillment of the role of SDA as prescribed under EC Act 2001

ii. **Managing State Energy Conservation Fund (SECF)**

Clause 16 (1) of the Energy Conservation Act 2001 requires State Governments/U.T. Administrations to constitute a fund called SECF for the purpose of promotion of efficient use of energy and its conservation within the State. In this context, a scheme titled Contribution to SECF by the Government of India from the XI plan with SDA being the implementing agency for the scheme. The SECF is proposed to be utilized to facilitate market transformation through implementation of energy efficiency projects by the SDAs. The most viable market transformation strategy for implementation of energy efficiency projects is through the ESCO route. Structuring of successful ESCO model is being pursued over a time by various organizations in different countries compared to India where it is still in nascent stage. Many cement the confidence of ESCOs but unfortunately not many investors have shown interest in investing for energy efficiency projects. This is primarily because of the fact that investment is to be recouped through the accrued energy savings, process for which still needs to be streamline and could not be done till now.

The SECF should not include energy efficiency projects to be executed on grants-in-aids basis (except for few demonstration project on waste heat recovery). It should be used as an instrument to facilitate implementation of energy efficiency projects through market transformation. For undertaking energy efficiency projects major part of the funds disbursed under SECF should be earmarked separately as Revolving Investment Fund (RIF). The roles expected from the manpower provided by the agency are:

- Identification of sectors for preparation of sector-specific energy savings plan
- Preparation of sector-specific energy savings plan
- Finalization of the plan in consultation with the SDA
- Strategizing implementation of the plan
- Utilizing SECF as RIF
- Identification of other areas for utilizing SECF as RIF
- Overall management of SECF

iii. **Facilitate smooth and timely implementation of other schemes of BEE.**

BEE has initiate a number of energy efficiency initiatives in the areas of household lighting, commercial buildings, standards and labeling appliances, demands side management in agriculture/municipalities, SME's and large industries including the initiation of the process for the development of energy consumption norms for industrial sub sectors, capacity building of SDA's etc. in order to enhance the efforts to promote energy efficiency during 11th plan period the national target of reduction consumption by 10000 MW of avoided capacity addition has been kept. The initiatives taken have resulted in an avoided capacity generation of 10836 MW during the XI plan the National target of energy saving which is to be achieved during XII five year plan as a consequence of implementation of ongoing schemes and additional ne components under National Mission for Enhanced Energy Efficiency (NMEEE) is expected to be 44.85 BU at consumer side, equivalent to 60.17 BU at generating side, equivalent to avoided capacity of 12350 MW. In view of the above, BEE envisages that role of JREDA in various schemes will be extremely crucial to facilitate achievements of the national targets set by the Govt. of India. The roles expected from the manpower provided by the agency are:

Standards & Labelling Scheme:

- Facilitate in contributing to the capacity building of the retailers and showroom salesman activities
- Facilitate in conduct of consumer awareness programs to spread awareness
- Facilitate in ensuring larger penetration for voluntary projects

Building & Labelling Scheme:

New Commercial Buildings

- Facilitate in amendment of ECBC to suit local climate conditions
- Facilitate in incorporation of amended ECBC in municipal building bye-laws
- Facilitate in capacity building of architects, designers and verifiers for ECBC compliant buildings.
- Facilitate in imparting training to buildings owners on submission of required data as per prescribed format once building are notified as DCs.

Existing commercial Buildings

- Facilitate retrofit through ESCO route or by building owners themselves.
- Facilitate promotion of star labeling scheme of BEE

Municipal DSM:

- Facilitate in selection of ULBs for implementation of DPRs.
- Facilitate in actual implementation in the ULBs.

Agricultural DSM:

- Facilitate issue of regulations/notifications by the state Govt. to mandate the use of BEE star labeled pump sets for new connections.
- Facilitate in setting up of monitoring mechanism to quantify the outcome

In addition to the above, the manpower provided will be required to do any other task pertaining to schemes of BEE as per direction provided by CEO of SDA.

iv. Facilitate smooth and timely implementation of perform, achieve and Trade (PAT) scheme of BEE

PAT is market based mechanism under the nation mission for Enhanced Energy Efficiency (NMEEE) to enhance cost effectiveness of improvements in energy efficiency in energy-intensive large industries and facilities in 8 energy intensive industrial sectors (including Thermal Power Stations), through certification of energy savings that could be traded.

During the first cycle of PAT Scheme i.e. from 2012-13 to 2014-15, eight energy intensive sector such as Thermal Power Plant, Iron & Steel, Cement, Fertilizer, Aluminium, Textile, Pulp & Paper, Chlor-alkali have been included. There are about 478 numbers of Designated Consumers in these 8 sector and they account for about 165 million ton of oil energy consumption annually. It is expected to save around 6.686 million ton of oil equivalent of energy from the first cycle of the PAT scheme. This accounts for a saving of 3.4 mtoe from the seven energy intensive industries (DCs) and 3.2 mtoe from thermal power stations sector.

The scheme is unique in many ways, particularly from a developing-country's perspective since it creates a market for energy efficiency through tradable certificates, called Energy Savings Certificate (ESCerts) by allowing them to be used for meeting energy reduction targets. These certificates can be issued to any of the 478 industries who are able to exceed their respective notified target set. The beneficiary industry could trade this certificate to any of the other entities (of the 478) that is unable to meet its targets, as buying ESCerts has been allowed as Sufficient fulfillment of compliance requirement without any penal action. The agency will be responsible for providing appropriate manpower who will be accountable to perform the following roles for smooth implementation of PAT in consultation with the concerned officer-in-charge of Bureau of energy Efficiency:

- Rule 5- Form, manner and time for preparation of scheme for implement of efficient use of energy and its conservation: Guidelines may be provided to SDAs detailing the action to be undertaken on the action plan submitted by the DC.
- Rule 6- Assessment of performance: For sub-rule (7) under rule(6), format and guidelines may be provided to SDAs for furnishing comments on Form 'A' to BEE.
- Rule 8- Check Verification: For sub-rule (2a) & (11) under rule (8), format and guidelines may be provided to SDAs for furnishing comments to BEE.
- Rule 8- Check Verification: For sub-rule (14) under rule (8), guidelines specifying the procedure to be adopted and the official responsible to initiate proceeding may be provided to SDAs.
- Rule 8- Check Verification: For sub-rule (15a) under rule (8), guidelines may be provided to SDAs detailing the action to be undertaken to recover from the DC the loss to the Central Govt. by way of unfair gain to the DC.
- Rule 13 – Compliance of energy conservation norms and standards: Guidelines detailing the action to be taken by the SDA regarding submission of compliance as per Form 'D' by DC.

The agency shall depute 5 (Five) manpower's for supporting various activities under the Strengthening of State Designated Agencies scheme of BEE, Managing State Energy Conservation Fund (SECF) and Facilitate smooth and timely implementation of other schemes of BEE. The minimum qualification criterion for these manpower's are :

Manpower I: - 2 Positions

AICTE/Govt. approved Bachelor Degree in engineering with minimum of 60% marks or equivalent grade in the engineering degree examination and a minimum of three years work experience in energy efficiency or its conservation energy auditing. The maximum age limit may be 35 years.

OR

Retried officers of central Govt. or Autonomous Bodies who had serviced as Deputy Secretary/Equivalent post subject to possessing a graduated degree and having a minimum of five years work experience in energy efficiency or its conservation and energy auditing. The maximum age limit may be 65 years.

Manpower 2:- 1 Position

AICTE/Govt. approved Bachelor Degree in Engineering with minimum of 60% marks or equivalent grade in engineering degree examination or BEE certified EA/EM along with 2 years MBA/Post Gradated Diploma in Energy Management/Post Graduate Diploma in Business Administration or equivalent with specialization in Finance (AICTE/Govt. approved). The incumbent should also possess a minimum of five years work experience in energy efficiency or its conservation and energy auditing. The maximum age limit may be 45 years.

To facilitate smooth and timely implement of perform, Achieve and Trade (PAT) scheme of BEE, the agency needs to depute at least one manpower with the following minimum qualification criterion:

Manpower 3:- 02 Position

AICTE/Govt. approved Bachelor Degree in Engineering with minimum of 60% marks or equivalent grade in engineering degree examination, possessing a certificate of Energy Auditor/Energy Manager from the Bureau of Energy Efficiency and having experience of handing activities relected to Designated Consumers. The incumbent should also possess a minimum of five years work experience in energy Efficiency or its conservation and energy auditing. The maximum age limit may be 45 years.

5.0 Terms and Condition

The agency providing manpower support to the SDA, JREDA, Jharkhand will abide with the following:

- The man powers provided will be stationed in the headquarter of SDA, JREDA, Jharkhand.
- The man powers provided will use the existing office space of SDA and will carry their own laptop and data card for internet access.
- The man powers provided will report to Chief Executive Office space of SDA or a senior executive in SDA as decided by the competent authority.
- The man powers provided will be called upon to attend office on holidays/Sundays in the interest of work and to sit late hours as per the requirement of SDA, JREDA Jharkhand.
- The man powers provided will work towards the fulfillments of all roles assigned by Chief Executive Officer of the SDA or a senior executive in SDA as decided by the competent authority.
- NO change of the deputed man powers will be allowed within the contract period.
- In case of any unforeseen event, any change of the deputed man powers provided will be done with the approval of Director of SDA, JREDA, Jharkhand.
- All expenses related to tours and travels to be incurred towards the man powers provided will borne by JREDA as per prevalent norms.
- SDA, JREDA, Jharkhand will have no financial implication with the man powers provide. SDA, JREDA, Jharkhand will pay the agency who has deputed the man powers provided on a monthly basis as per the amount mentioned by the agency in their financial proposal.
- The man powers provided by the agency will be on contract basis and initial contract of the agency would be for a period of two years. The contract may be renewed on an annual basis at mutually agreed terms and condition, with financial implication not exceeding 10% of the initial contract value, for a maximum period of another two years on 31st March, 2017 whichever is earlier.
- The man powers provided will be entitled for a maximum of 2 days of leave on working days per month. If the man powers provided takes more than 2 days of leave in a month, JREDA will deduct an amount on pro-rata basis for each day's absence from the amount to be paid to the agency. In case of any unavoidable circumstances, the agency, may, after prior approval from SDA, JREDA, Jharkhand may provide a suitable replacement to JREDA to avoid the above penalty.
- SDA, JREDA, Jharkhand reserves the right to terminate the contract of the consultancy firm without assigning any reason.

6.0 Selection Process

6.1 Qualification Criteria for Individual Agency/Firm

The agency/firm being considered for the above work must fulfill all following criterion for being declared as technically responsive:

- Should be agency/firms/company registered/incorporated in India. Necessary document should be provided to substantiate the claim.
- Should be an agency having valid Grade 3 and above ESCO accreditation from BEE. Necessary document should be provided to substantiate the claim.
- Should have at least 3 BEE Certified Energy Auditors/Energy Managers as on the date of applying. A photocopy of the certificates of BEE Certified Energy Audition/Energy Managers should be enclosed as proof.
- Should be empanelled as a consultant with at least two Central/State Govt. agencies/bodies/organization etc. for carrying out activities related to energy efficiency. Necessary document should be provided to substantiate the claim.
- Should have prior experience of providing man power support including as retainer consultant for any assignment for carrying out activities related to energy efficiency to Central/State Govt. agencies/bodies/organization etc. for at least two separate assignment. Necessary document should be provided to substantiate the claim.
- Should have adequate consultancy experience of minimum 5 years in the field of Energy Efficiency. Necessary document should be provide to substantiate the claim.
- Should provide detailed curriculum vitae of the man powers possessing the minimum qualification criterion as stipulated in the claim in curriculum vitae.
- Should give an undertaking stating that same man power whose curriculum vitae are provided will actually be deputed.
- Should have a minimum annual turnover of INR 100 Lakhs (INR or its equivalent in foreign currency) in one of the last three years i.e. FY 2011-12 and 2012-13. The audited annual statement for the last three years should be submitted to substantiate the claim.
- Should comply with all other terms and conditions as mentioned elsewhere in this RFP.

6.2 Preliminary Scrutiny

Preliminary scrutiny of the proposal will be made to determine whether they are complete, whether required process fee has been furnished, whether the document have been properly signed, and whether the bids are generally in order. Proposals not conforming to such preliminary requirement will be prima facie rejected.

6.3 Evaluation of Proposals

6.3.1 Bid Evaluation of Methodology

The following is the Bid process/evaluation methodology that will be adopted by SDA, JREDA, Jharkhand. RfPs are available on SDA, JREDA, Jharkhand web-site www.jreda.com

Alternate bids will not be allowed.

It will be a two envelope single bid. All the applicants whose bid are found to be technically responsive in evaluation shall be considered for financial evaluation. The agencies will be qualified as technically responsive based on meeting all the qualification criterion spelt under section 6.1 and as per RfP forms spelt under section 10.0. The financial bids of those agencies found on the lowest financial quote.

The technical proposal as per requirement of the qualification criterion spelt under section 6.1 is to be submitted in a separate envelope titled “ **Hiring an Agency to provide Manpower support to State Designated Agency <JREDA, Jharkhand> during the XII Five Year Plan**” and named ENVELPO ‘A’

The financial proposal is to be submitted in a separate envelope titled “ **Hiring an Agency to provide Manpower Support to State Designated Agency <JREDA, Jharkhand> during the XII Five Years Plan**” and named ENVELPO ‘B’.

7.0 Instructions to the Agencies/Firms

7.1 Financial Proposal

Agencies/Firms shall submit the financial bid, clearly indicating the total cost of service in both figure and words, in Indian INR. In the event of any difference between figures and words, the amount indicated in words will be taken in account. In the event of difference between the arithmetic total shown in the financial proposal, the lower of the two shall be taken into account.

The financial proposal shall take into account all expenses and tax liabilities except the service tax. For the avoidance of doubt, it is clarified that all taxes excluding services tax shall be deemed to be included in the cost of service. Further all payment shall be subjected to deduction of taxes at source as per applicable laws.

7.2 Cost of RfP

The Agencies/Firms shall bear all costs associated with the preparation and submission of its RfP, including cost of presentation for the per pose of clarification of the bid, if so desired by the purchaser. SDA, JREDA, Jharkhand will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the qualifying process. SDA, JREDA, Jharkhand reserves the right to cancel the RfP and is not liable for any outcome due to the action taken.

7.3 Contents of the RfP

The Agencies/Firms are expected to examine all instruction forms & conditions and statement of work in the RfP documents. Failure to furnish all information required for submission of the RfP document not substantially responsive to the RfP in every respect will be at the agencies/firms’ risk any may result in the rejection of the RfP.

7.4 Bid security and Performance Security

7.4.1 Bid Security

The Agencies/Firms shall furnish, as a part of its proposal, an earnest money deposit of Rs. 50,000.00 (INR Fifty Thousand Only) as bid security in the form of demand draft issued by any nationalized/scheduled bank, in favour of Director, JREDA payable at Ranchi, returnable after finalization of the agency of provide manpower.

Any bid not accompanied by the bid security will be rejected by SDA, JREDA, Jharkhand. SDA, JREDA, Jharkhand shall not be liable to pay any interest on the security and the same be interest free.

7.4.2 Performance Security

Within twenty- eight (28) days of the receipt of notification of award from SDA, JREDA, Jharkhand the successful agency/firm shall furnish the Performance Security in the form of Bank Guarantee. The value of Performance Security would be 30% of the total contract value. Out of this, an amount of 20% of the contract value will be as advance bank guarantee and an amount of 10% of the contract value will be performance bank guarantee. The bank guarantees will be exclusive of service taxes. The Performance Security would be valid till the completion of the contract period any such extended period as decided by SDA, JREDA, Jharkhand.

7.5 Conflict of Interest

The Agencies/Firm who are selected for the work will have to maintain the confidentiality of the information compiled. In no case the agencies/firms would be allowed to use the data or share the information with anyone else, except for the SDA, JREDA, Jharkhand. The agency responsible for providing manpower support to SDA, JREDA, Jharkhand will be barred from participating in any tender published by SDA, JREDA, Jharkhand or any tender document published under the overall guidance of SDA, JREDA, Jharkhand relating to promotion of efficient use of energy and its conservation.

7.6 Language of Bids

The bids prepared by the Agencies/Firm and all correspondence and documents relating to the bids exchanged by the agencies/Firm and the Purchaser, shall be written in the English/Hindi language, provided that any printed literature furnished by the agencies/Firm may be written in author language so long the same is accompanied by the an English/Hindi translation shall govern.

7.7 Confidentiality

SDA, JREDA, Jharkhand require that recipients of this document to maintain its contents in the same confidence as their own confidential information and refrain from any public disclosure whatsoever.

7.8 Disclaimer

SDA, JREDA, Jharkhand and/or its officers, employees disclaim all liability from any loss or damage, whether foreseeable or not, suffered by any person acting on or refraining from acting because of any information including statements, information, forecasts, estimates or projections contained in this document or conduct ancillary to it whether or not the loss or damage arises in connection with any omission, negligence, default lack of care or misrepresentation on the part of SDA, JREDA, Jharkhand and/or any of its officers, employees.

7.9 Authorized Signatory (Agencies/Firms)

The “ Authorized Signatory” as used in the RfP shall mean the one who has signed the RfP document forms. The authorized signatory should be the duly Authorized Representative of the agencies/firms, for which a certificate of authority will be submitted. All certificates and documents (including any clarifications sought and any subsequent correspondences) received hereby, shall, as far as possible, be furnished and signed by the authorized signatory. The power of authorization or any other document consisting of adequate proof of the ability of the signatory to bind the agency/firm shall be annexed to the bid. SDA, JREDA, Jharkhand may reject outright any proposal not supported by adequate proof of the signatory’s authority.

7.10 Conditions for Consortium/outsourcing

No consortium/outsourcing will be allowed. If the agencies/firms submit the proposal with other consortium partners, the bid will be rejected.

7.11 Contact details of the Agencies/firms

The agencies/firms who want to receive SDA, JREDA, Jharkhand response to queries should give their contact details to SDA, JREDA, Jharkhand. The agencies/firms should send their contact details in writing at the BEE contact address indicated under section 1.2.

7.12 Amendment of RfP

At any time prior to the last for receipt of bids, SDA, JREDA, Jharkhand may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective agencies/firms, modify the RfP document by an amendment, in order to provide prospective agencies/firms, reasonable time in which to take the amendment into account in preparing their bids, SDA, JREDA, Jharkhand may, at their discretion, extend the last date for the receipt of bids and/or make other changes in the requirements set out in the RfP.

7.13 Documents Comprising the RfP

The Proposal Prepared by the agencies/firm shall comprise the following components:

- Ernst Money Deposit of INR 50,000/- (INR Fifty Thousand Only)
- Bid Processing Fees of INR 5,000/- (INR Five Thousand Only) Non Refundable
- Technical Proposal as Envelope A.
- Technical Proposal as Envelope B.

7.14 Power of Attorney

Registered Power of Attorney executed by the agencies/firm in favour of the Principal officer or the duly Authorized Representative certifying him/her as an authorized signatory for the purpose of this RfP. SDA, JREDA, Jharkhand shall not be responsible for non-receipt/non-delivery of the RfP due to any reason whatsoever. The agencies/firm are advised to study the RfP document carefully. Submission of RfP shall be deemed to have been done after careful study and examination of the RfP document with full understanding of its implication.

7.15 Force Majeure

Shall mean and be limited to the following:

- War/hostilities
- Riot or Civil commotion
- Earthquake, flood, tempest, lightening or other natural physical disaster.
