Section-3	<p>Page no. 7 of the NIB-Notice Inviting Bid, Clause no. 2 :</p> <p>The bidder should be a functional organization. To substantiate this claim, the bidder should submit the copy of balance sheet for last 3 years or from the date of establishment to 31.03.2015, whichever is applicable. These balance sheets should be duly certified by the Statutory Auditor with his stamp.</p>	<p>The bidder should be a functional organization. To substantiate this claim, the bidder should submit the copy of audited balance sheet with profit & loss account for last 3 years or from the date of establishment to 31.03.2015, whichever is applicable. These audited balance sheets should be duly certified by the Statutory Auditor with his stamp.</p>
	<p>Page no. 7 of the NIB-Notice Inviting Bid, Clause no. 4 (Experience Requirement):</p> <p>For General Bidder: Bidder should have cumulative experience of executing contracts of supply of at least 25% of Bid capacity of Solar Street Lighting System to any SNA / Govt. Organization / PSU in the last seven years ending up to date of advertisement of this tender. The bidder submitting the bid for higher nos. of solar pumps will require having cumulative work experience equal to 25% of the bid capacity.</p> <p>For MSME of Jharkhand: Bidder should have cumulative experience of executing contracts of supply of at least 10% of Bid capacity of Solar Street Lighting System to any SNA / Govt. Organization / PSU in the last seven years ending up to date of advertisement of this tender. The bidder submitting the bid for higher nos. of solar pumps will require having cumulative work experience equal to 10% of the bid capacity. No experience is required for new MSME unit of Jharkhand which is functional since last two years (Audited account by C.A. has to be submitted).</p> <p>The copy of work order and certificate indicating its successful execution should be enclosed.</p>	<p>For General Bidder: Bidder should have cumulative experience of executing contracts of supply of at least 25% of Bid capacity in HP of Solar Water Pumping System or 50% of the bid capacity in kWp of Solar Power Plants to any SNA / Govt. Organization / PSU in the last seven years ending up to date of advertisement of this tender. The bidder submitting the bid for higher nos. of solar pumps will require having cumulative work experience proportionately.</p> <p>For MSME of Jharkhand: Bidder should have cumulative experience of executing contracts of supply of at least 10% of Bid capacity in HP of Solar Water Pumping System or 20% of the bid capacity in kWp of Solar Power Plants to any SNA / Govt. Organization / PSU in the last seven years ending up to date of advertisement of this tender. The bidder submitting the bid for higher nos. of solar pumps will require having cumulative work experience proportionately. No Govt./SNA/PSU experience is required for new MSME unit of Jharkhand which is functional since last two years (Audited account by C.A. has to be submitted). The new MSME have to submit experience of non-govt. organization/Private sector. However, the new MSMEs of Jharkhand shall be considered for allocation in accordance with para 14 of the Section-3 of the document. This relaxation shall be valid for one time only.</p> <p>The copy of work order and certificate indicating its successful execution should be enclosed.</p>
	<p>Page no. 8 of the NIB-Notice Inviting Bid, Clause no. 5:</p> <p>The offered PV Modules should be as per IEC61215 edition II / BIS 14286 from an NABL or IECQ accredited laboratory standards having test certificates prescribed by MNRE. The valid test certificate with authorization letter of the manufacturer should be uploaded as</p>	<p>Deleted</p>

<p>annexure. The offered PV Modules should be Crystalline Silicon PV Modules as per IEC 61215 Standards or IS14286 and having test certificates prescribed by MNRE. In addition, the modules must conform to IEC 61730 part I – requirement for construction and part – II requirement for testing, for safety qualification or equivalent IS. The offered modules shall be of standard make, specifications of any reputed brand approved by MNRE having test certificates issued from MNRE specified test laboratories. The bidder has to supply the modules of same make, specifications and standard brand for which test reports submitted in the tender otherwise the work order & agreement shall be terminated, the security deposit shall be forfeited and the bidder firms shall be black listed. However, bidder can submit test certificates and authorization letter from three manufacturers and has to submit the authorization from each of the manufacturer along with the test certificate.</p>	
<p>Page no. 8 of the NIB-Notice Inviting Bid, Clause no. 6: The bidder must be in possession of valid test report of solar pumps from any of the following test centers:-</p> <ul style="list-style-type: none"> • Solar Energy Centre Gwalpahari – Gurgaon, Haryana (SEC) • Electronics Regional Test Laboratory (East)) Bidhan Nagar, Kolkata (ERTL) • Central Power Research Institute, Bangalore (CPRI). • Any other test centre approved by MNRE. <p>The latest test certificate should confirm that Solar Pumps are as per MNRE specifications which are available on MNRE website. The test certificate issued before 1st April 2013 will lead to outright rejection of the BID. Latest test reports issued by SEC/OATCs for Solar Pumps conforming to MNRE/BIS specifications would be considered valid for the tender. All the product should be as per JNNSM/MNRE guidelines applicable for 2014-15. However, the tenderers, who have submitted their products for testing at MNRE approved test centers may participate in this tender on submitting the receipt/acknowledgment thereof, but they shall have to submit the test certificate within one month from the date of opening of price bid/LoI, otherwise bid may be cancelled and may be awarded or distributed among the valid bidders.</p>	<p>The bidder must be in possession of valid test report of Solar Water Pumping System (PV module, Pump, Controller & Inverter) from any of the following test centers:-</p> <ul style="list-style-type: none"> • Solar Energy Centre Gwalpahari – Gurgaon, Haryana (SEC) • Electronics Regional Test Laboratory (East)) Bidhan Nagar, Kolkata (ERTL) • Central Power Research Institute, Bangalore (CPRI). • Any other test centre approved by MNRE. <p>The latest test certificate should confirm that Solar Pumps are as per MNRE specifications which are available on MNRE website.
