

CORRIGENDUM

In the light of pre-bid meeting held on 08.02.2016 with prospective bidders, JREDA has decided to make following amendment in the NIB No. 20/JREDA/UCA/2015-16.

Section	Original Criteria	Read as/ Amendment
Section-3	Page no. 7 of the NIB (II) Technical Conditions: 1) The manufacturer should be an approved (by MNRE) manufacturer & empanelled / authorized suppliers having experience of similar type of works. The manufacturer will submit the sample along with the bid fee and EMD for evaluating the quality of the product. Bids without sample shall not be entertained.	Page no. 7 of the NIB (II) Technical Conditions: 1) The bidder should be an MNRE approved manufacturer or its authorized suppliers having experience of similar type of works. The bidder will submit the sample/s in each model, along with the bid fee and EMD for evaluating the quality of the product/s. Bids without sample/s shall not be entertained. A bidder can submit samples for more than one model in each category (family type and community type).
Section-3	Page no. 9 of the NIB, point no. 14 Empanelment Procedure after opening of Financial Bid: Release of numbers of sites to successful bidders will be done batch-wise and next lot will be released on the basis of successful execution of the earlier commitment. If any bidder fails to fulfill the earlier commitment, quantity of such bidders may be allotted to another successful bidder/s based on their performance to complete the work within stipulated time.	Page no. 9 of the NIB, point no. 14 Empanelment Procedure after opening of Financial Bid: Release of quantity of Unnat Chulha to successful bidders will be done batch-wise and next batch will be released on the basis of successful execution of the previous batch. If any bidder fails to fulfill the earlier commitment, quantity of such bidders may be allotted to another successful bidder/s based on their performance to complete the work within stipulated time.
Section-4	Page no. 11 of the NIB, point no. 2.1 Source of Funds of the ITB The JREDA has decided to undertake the works of "Rate Contract from Manufacturers having valid test certificates as per MNRE guideline for supply of family and community type chulha on standard rate contract basis including warranty for a period of one year in the state of Jharkhand" through funds from the Government of India, and Beneficiary, to be implemented through JREDA.
